1000 DRESSES for GRANDMOTHERS

The Marninwarntikura Women's Resource Centre in Fitzroy Crossing in the remote Kimberly Region of WA have a goal of collecting 1000 dresses to gift to the hard working grandmothers in their community.

Lismore Library will be a drop off point for donations.

This area is entering its hot season so dresses in light fabrics are best and in sizes 14+ are ideal, but other sizes will be gratefully accepted. Any other items donated will go families in need through their social worker and shelter.
