eAudiobooks on the go!

eAudiobooks are books that you can listen to on your iPod, smartphone, MP3 player, tablet or computer, and are wonderful for readers who love to multitask. If you have a long commute through traffic you can pass the time by listening to your favourite titles.

Many people prefer audiobooks to music while they work out, cook meals or just as background noise throughout their day. Talented audiobook narrators can make a story come to life and provide a new way to enjoy a title.

Richmond Tweed Regional Library currently subscribes to the Bolinda Digital eAudiobook platform on behalf of our members.

Borrowbox by Bolinda eAudiobooks

Bolinda Digital is Australia's top publisher of eBooks and eAudiobooks. As a library member, you can choose from a great range of bestselling international and Australian authors and borrow up to four Bolinda eAudiobooks for two weeks. To read on a mobile device, download the BorrowBox Library App from the App Store and Google Play.
