

## Using a KOBO with BorrowBox

To use a KOBO with RTRL Service e-library items you will need a PC with Adobe Digital Editions installed. Please click on the link below to download Adobe Digital Editions to your PC or MAC

<https://www.adobe.com/au/solutions/ebook/digital-editions/download.html>

## To borrow an item

Sign in to BorrowBox using your Richmond Tweed Regional Library Service library card number and password. Tip: Password is usually the last 4 digits of your phone number.

Borrow an item and then click download now.

Click on Download for e-Reader (Adobe e-Pub) and you will then be prompted to download the book into your computer.

You can then open up Adobe Digital Editions and select your book.

Plug in your Kobo and move the book across into the Kobo window.

Start Reading!
