## All About Butterflies with Helen Schwencke

**Saturday 12 June**

### Walk - Beautiful Butterflies & other Beneficial Be(e)ings

This SLOW\* walk, in the Rainforest Botanic Gardens, we will explore the variety of plant-insect interactions that occur on different species of plants.

\* SLOW = seeing, looking, observing and wondering

**10am - 11.30am**

**11.30am - 12.30pm Light Lunch/Refreshments**

### Talk - Beautiful Butterflies & other Beneficial Be(e)ings

This interactive talk will cover some case studies of local butterflies, their lifecycles and host plants that occur in the region along with the various relationships these species have with other creatures.

**12.30pm - 2pm**

**Sunday 13 June**

### Talk - Gardening for Butterflies

This talk and discussion will focus on starting your butterfly and wildlife garden. It will cover a diversity of native plant species that support local butterfly lifecycles for all five different groups of butterflies: the Swallowtails, the Whites and Yellows, the Nymphs, and the Blues.

**10am - 11.30am**

**11.30am - 12.30pm Light Lunch/Refreshments**

### Talk - Stingless Bees & Pollination

Pollination is a wonderful and complex thing. Our native stingless bees are generalist pollinators for a variety of native and non-native plant species. We will be taking a glimpse at the amazing diversity of pollinators and their host plants.

**12.30pm - 2pm**

These sessions will be held at the  
**Lismore Rainforest Botanic Gardens and Lismore City Environment Education Centre**

313 Wyrallah Road, Monaltrie

Please contact Lismore Library to make a booking.
