Richmond Tweed Regional Library
Connect. Discover. Escape.

Now, more than ever, it's important to build the tech skills you need to navigate the online world. We'll help you know where to go for information and support, create an individual tech learning plan, unravel some tech mysteries such as what QR codes are and how they work, and most importantly, how to spot a scam and stay safe in the online world. We'll even get to share the joy of armchair travel and sign up for an online author event with Judy Nunn!

What are you waiting for? Let us, help you, succeed in the online world and Get Online, Get Learning!

Join us at 10am each day for an informative online talk followed by tech support. Join one session or join them all! We'll be online each day at 10am to give you all the information and support that you need to succeed online.

It's easy to participate:

- Just grab your device (phone, tablet, computer, laptop)
- Click on the link each day at 10am
- Phone the tech help number **02 6625 5100** for advice and one-on-one support with your tech needs related to the daily topic.

Online sessions will be held on the online meeting platform ZOOM. Staff are available to assist you to connect to ZOOM by phoning the tech help number.

WIN!

Every participant receives a free learning pack and an entry into the draw for a book voucher. Register for an online learning plan to win a Samsung Galaxy Tab A7 Lite
